

**YOLO LOCAL AGENCY FORMATION COMMISSION  
NOTICE OF PROTEST HEARING**

**Notice is hereby given that on Wednesday, November 13, 2019 at 10:00 am,** the Yolo Local Agency Formation Commission (LAFCo) Executive Officer will conduct a Protest Hearing at the City of West Sacramento Council Chambers, 1110 West Capitol Ave, 2<sup>nd</sup> Floor, West Sacramento, CA to consider the following matter:

**Establish Reclamation District (RD) 900 as a Subsidiary District to the City of West Sacramento (LAFCo #926)**

The above proposal was conditionally approved by Yolo LAFCo at a noticed hearing held on July 25, 2019. The proposal involves a reorganization to establish RD 900 as a Subsidiary District to the City of West Sacramento, detaching the City portion of RD 537 and its Sphere of Influence (SOI), annexing RD 537's Detached Territory, RD 537's SOI, and the Balance of RD 900's SOI within the West Sacramento Basin Levee System into RD 900 (see map). These actions would consolidate West Sacramento Basin reclamation district services under RD 900 and the city council would act as its ex officio board of directors in order to streamline the provision of flood control services in the West Sacramento Basin. The proposal was initiated by resolution of the West Sacramento City Council. The terms and conditions of the resolution require a finance plan to divide RD 537's assets, a new RD 900 boundary map to be created, and existing RD assessments and expenditures to continue as is. The detailed resolution can be referenced at [www.yololafco.org/notices](http://www.yololafco.org/notices).

All signatures must be dated after the publication of the protest hearing notice per Government Code 57051 (i.e., August 14, 2019). Only valid protests will be considered.
